

The NHS Prescription Charge is

£9.90 for each item collected
from May 1st 2024

Some items may have more than one charge,
e.g. elastic hosiery; a member of the
dispensary team will explain
if that is the case.

The NHS prescription
charge is a contribution to
the NHS; it is not a payment to the
surgery or its dispensary and it is not
related to the cost of your medicine(s).

If you need at least 4 prescriptions in three
months or at least 12 prescriptions
a year, you could save money with a

Prescription Prepayment Certificate.*

Ask a member of your dispensary team for more details.

**Prescriptions are free
for some people –

dispensary team
for advice or visit...**
